Dear Mr. Connors,

Arrangements have been completed for another Negro National League doubleheader at Hawkins Stadium, Albany, N.Y. on Sunday afternoon July 14, 1940 between the Newark Eagles and the Cuban Stars of Havana, Cuba.

The management of both teams would like you to handle the newspaper publicity and radio publicity for this game in the same efficient manner that you handled the last one and for the same terms as before which was \$25.00 plus any small additional expense.

Can you take care of arranging to have Otto the sign man to arrange for the same advertising as he did before? The cost for this was \$5.00. I do not know where to reach this party but thought that you would know about the same.

Advertising matter will be sent to you by the Newark Eagles and I shall arrange to send the mats and line-up of the Cubans to you.

I hope that the above is Ok and I wish that you would confirm the same and let me know if you want any additional information for your publicity.

Very truly yours,

W. A. LEUSCHNER.
